REVEALED: UAE ASTRONAUT AL NEYADI IN SPACEX CREW-6 SUIT

The Mohammad Bin Rashid Space Centre (MBRSC) yesterday released photos of UAE's astronaut Sultan Al Neyadi (right) in a Extravehicular Mobility Unit spacesuit along with three other members of Nasa's SpaceX Crew-6 team that will embark on a six-month mission to the International Space Station in 2023. The four are seated inside the SpaceX Dragon crew ship during a training session at the company's headquarters in California.
