Discover Asteroid secrets at Mushrif Park

Dubai event to feature lecture, opportunity to watch two key asteroids

DUBAI

Gulf News Report

Dubai Astronomy Group is inviting astronomy enthusiasts to join them today at Al Thuraya Astronomy Centre in Mushrif Park to celebrate International Asteroid Day.

This global event, observed annually on June 30, aims to raise awareness about the hazards of asteroid impacts and educate the public on crisis communication measures to be taken in the event of a credible near-Earth object threat.

Captivating lecture

The Dubai event will kick off with a captivating lecture, guiding participants through the formation of our solar system, the asteroid belt, and the significance of asteroid

Dh40-60
ticket prices to observe celestial objects at Al Thuraya Centre

International Asteroid Day on June 30 seeks to raise public awareness about the hazards of asteroid impacts.

research in unravelling the mysteries of the universe. Accomplished astronomers will enlighten attendees about these celestial wanderers, deepening their understanding of their composition and impact on Earth.

Asteroid sighting

A major highlight of the event is the opportunity to observe two prominent asteroids through telescopes. Guests

will witness the dance of Ceres, the brightest asteroid, and Pallas, the second brightest, as they grace the night sky. Additionally, attendees will have the chance to marvel at the brilliance of Venus and Mars during their respective positions.

Ticket prices range from Dh40 to Dh60, and due to limited space, early registration is strongly recommended for this immersive experience.
